

Lincoln Way Bands Rose Parade—Fan Package Information

Fan trip “mirrors” the student trip

- To assist with moving a large group through the LA area, the students and the fans follow similar itineraries, but not the same activities at the same time.
- Fans will have their own separate hotel, motor coaches and tour directors.
- Some parts of the fan trip have been upgraded for the comfort and pace of families and friends. It also includes fewer meals and one fewer night in the hotel.
- For a full list of inclusions and pricing, please see the “Lincoln Way HSB Fan Inclusions and Pricing” document
